My best friend is Barbara and she's a bit over-sexed. What's strange is that I never thought of myself as a lesbian until she and I had been doing each other for more than six months. Then it just hit me out of the blue: I like girls! Or at least, I like Barbara. Now I just can't stop thinking about banging her.

I got married really young, at eighteen, and my husband liked me in pigtails. At first I didn't want to do it, especially when we were fucking,. But as time went on, I noticed he was much more sexually aroused and interested in having sex. One of his favorite positions is to fuck me doggie-type from the back and grab my pigtails and use them like the reins of a horse. I'll yell out giddy-ap and we would.

I know you're looking at my pussy. Sweet looking isn't it? It's wet, plump and ready for your cock. But first let me satisfy your urge to be sucked. I love sucking cock and you look like you have a suckable one. Then take me by my pigtails and use them to pull my mouth deeper over your cock until I gag.

I'll take the bridesmaid every time

Bill G. in Denver...

I was attending my friend, Grayson's wedding rehearsal when I met her. She was a bridesmaid and I was standing in on the groom's side. As the rehearsal started I could feel the buzz between us as I turned and stared into her amazing blue eyes. The rehearsal continued, each of us following directions and doing our part for the future bliss of the soon-to-be newlyweds. As the evening progressed, we didn't say a word to each other during dinner and it scared the hell out of me. I wondered if she's feeling the same thing, because our eyes have met more than once. But thankfully, my fears were unfounded, and next day the wedding went off without a hitch. I couldn't get over how sexy she looked in the powder blue bridesmaid dress that matched her eyes and her blonde hair pinned up and looked so proper. Some of the other guys teased me over the hard-on I had for her.

The wedding ended as the beautiful spectacle that it was. Tons of good wishes and good cheer were bestowed upon the lucky couple, but tonight I think I'm going to be the luckier one. At the reception, music played, people ate and danced, and I took her by the hand and danced our way out the door. Just looking for a quiet, private corner to get some air, I grabbed a flute of champagne on my way out the door. In the parking lot I see the wedding party's limo with the driver nowhere in sight. I wandered over to it and found that it's not locked. I motion her over and hold the door open for her to enter.

I'm still holding the champagne, as I climb in

Dear Lusty Wives,

Kudos on *Lusty Wives*. Kelly, the cover wife is really hot. If she wasn't married, I'd do her in an instant, or even faster than that. I'd do her even if she was married. But your magazine made things hard for me – pun intended – with so many hot women, it was hard to like just one. Okay, so a couple of them are not my type, but the rest I'd fuck in an instant. Besides Kelly, I like Brynn. She's a hottie and sure seems to like cock. But why weren't there any shots of her fucking? Only sucking? I would have loved to see her pussy getting stuffed, and if she takes it in he ass? And besides Kelly and Brynn, I liked Hailey. Now there's a gal that seems to like having her ass plowed. I should know, because I've fucked many an ass in my time. Anyway, I just wanted to tell you that this issue was great and I'm looking forward to the next one.

– Kyle, Los Alimos

behind her. We settle in the back seat and sit facing each other. I take a sip from the flute and begin to kiss her mouth, flooding the golden liquid into her mouth. I slide my hand up her thigh and discover she's wearing garters and no panties. She leans over and unbuttons my shirt while she lightly runs her nails across my bare chest. I pull her dress off quickly and while I find the black lacy bustier she's wearing very sexy, it's got to go.

Now we're both naked and the cool leather of the limo seat fells good as our body temperatures rise. I hold her glass next to her skin below her collarbone and tilt it slightly, the bubbly liquid flows down between her breasts, into her navel and trickles into the small patch of hair below. I kneel before her and trace its path down with my tongue. I part her smooth legs and run my tongue across her pussy, flicking gently at her clit. She moans with pleasure as I swirl my tongue again and again over her mound and savor her taste.

As she lays back across the seat, I rise up and mount her with delight as my hard cock enters her pussy and her nails dig into my back. We move together, whispering to each other, 'faster, faster, harder, harder.' The scent of our bodies and a hint of the expensive champagne lingers in the air. It doesn't take long for her to reach the edge of orgasm. She shudders with the intense pleasure of her orgasm as I empty my juices into her with a groan.

One minute later we're dressed as well as can be expected and our hair is messed up, but we walk back into the reception hand in hand. A few people noticed that we were a little messy, but their attentions quickly went back to the wedding party. There was magic in the air that night and I took it back home with me.

Jim H. is gettin' wet…

Hi, I'm Jim and it's three in the morning on a Friday night and we just got home from clubbing. Colette's in the shower. The temperature was just right, very warm but not scalding, and she bathed in the feel of the fine spray on her shoulders, as her neck muscles relaxed. Colette arches her back, and steps back a little, letting the water soak her hair, and run down her face and across her full breasts. She reaches down for the shampoo, and starts massaging it into her hair.

As she steps under the spray to rinse, she suddenly feels my hands on her shoulders and leans back against my chest. She could feel my hardness against her buttocks, and wiggles against it playfully as my hands roam up her sides, finally

compatible with devices and operating systems encircling her and moving up to her breasts. I playfully tickle the edges and the undersides, but eventually my fingers find their way to her nipples, which had gotten hard almost at first touch. I squeezed her nipples as my lips find her neck, and I nibbled my way up to her earlobe.

Colette turned around then and our lips met. I pushed my tongue inside her mouth, my arms encircling her as she reaches down to touch my wet, hard cock. Colette took it in her hand, caressing it gently, rubbing the shaft and moving a finger down to tickle my balls. She knelt down and planted a kiss on the tip. I moaned, and ran my fingers through her hair as the water of the shower rained down around us, and she took my penis into her mouth. Her right hand encircled the shaft, and she began to rhythmically stroke me in time with the action of her mouth.

Colette could feel my excitement grow, as the water ran down her face, and she took more of me into her mouth. She moved her hand back to caress my balls and drew almost my complete shaft into her throat. She generated as much suction as she could, and started to use her mouth to move it in and out, taking his entire length into her throat on the deep stroke. Colette sucked, faster and faster, and finally with a groan, I reached orgasm. She took me out of her mouth then and let my cum splatter on her face. Shortly thereafter, the water from the shower washed my cum off her, and me.

I pulled her up from her knees and smiling, lifted her in my arms and carried her from the shower into the bedroom. I took a large, fluffy bath towel and began to dry her shoulders and worked my way down her back. Then putting the towel around her to dry her breasts and stomach. Kneeling, I toweled off her legs and feet, and as she stood there, I ran a teasing finger up the inside of her leg, almost to her pussy. Colette trembled a little at the sensation and even more as my fingers began to trace higher on the inside of her thigh.

I moved my fingers up to gently brush the folds of skin around her vulva, massaging and kneading the tender flesh and sending shock waves through her body with every motion. I knelt between her legs and lightly licked the inside of her thigh. She moaned and spread her legs more widely as I licked higher onto her labia, teasing it gently for a second before retreating and licking at her other thigh. I blew gently on her clit and took it into my mouth and sucked on it gently, causing her to gasp.

Then I pulled back and began to use my tongue in earnest, sometimes quickly, other times slower, moving it vertically or making slow, lazy circles around her clit. I worked a quick finger inside of her pussy and penetrated deeply, and moved it in and out in the rhythm of my tongue moving against her clitoris. Colette moaned at the feelings I was inducing in her body, and as they intensified she orgasmed, writhing, on the bed.

I looked up at her and smiled, and then crawled up her body to lie on top of her. Soon she could feel me becoming hard again, and she parted her legs to let me enter. I slid in smoothly and we lay motionless for a moment, enjoying the sensation of her vaginal walls around me. Eventually I started to thrust myself rhythmically into her, moving my hips against hers, and she rose up to meet me on each deep thrust.

Colette put her arms around my back, caressing my strong muscles and buttocks, pulling me even more deeply inside of her. My mouth found hers, not gently, and we savagely kissed, my tongue forcing itself into her mouth in time with my strokes. I groaned, and she could feel me starting to spasm inside of her. The sensation brought her to her own orgasm, and we came together, shuddering.

I stayed inside of her as we lay together in the afterglow, enjoying the sensations of each others' body. With our arms around each other, she finally pushed me off of her, giving me one last kiss, to allow her return to the shower that I had so rudely interrupted.

I'll admit I have a high sex drive. I told my husband that was the case when we got married. I was an animal on him for a year or so, but that wasn't enough for me. Then for our third anniversary he brought home one of his studly friends for me to fuck. I think these pictures tell the story.

I'm a straight up and nasty girl

Stacy

Before I got married, I was a bartender at a local club. I got to see all sorts of things there, and most of them were not nice. One night, a half hour before last call, I saw a couple fucking at the end of the bar. It made me horny and I went home and fucked my hubby's brains out!

do I look like I want to fuck?

No - I'm not an accountant, and I don't work at the mall. I'm a happily married 31-year old who just happens to be a sex-starved. I've got a landing strip down there, and when a cock is in it and opens my pussy, my strip and pussy lips look like the Eiffel Tower. Mais oui!

when it get's personal

I smile at the thought of hearing Shayne's voice. I expect she will be fresh from the shower and ready for some loving. The traffic is light as I head towards Shayne's apartment. It is almost time to meet her for the first time.

I'm thirty-three and Shayne is probably close to thirty but she still looks like she is twenty. I have never seen her in person, but the pictures she shared with me over the internet and cell phone has fired my imagination. Shayne tells me she has a large appetite for sex. Her passions inspire me and I want to be the best lover I can for her. Shayne has responded to my willingness to try different things and to take the time to arouse her deepest passions before I seek mine. I just know her sweet treasure will be wet and juicy and ready for me.

I call Shayne to tell her that I'm close by. She tells me she is home and awaits me. She is dressed in a short white summer dress and flip flops. Her giggle is happy and filled with anticipation. Her slight southern accent only makes her more desirable. We had planned a champagne party to get things started and she still seems willing.

I say that I'm dressed in a short red dress and bringing a surprise with me but will have to show it to her later. Shayne's tells me how excited she is to see me when I tell her that I'm turning onto her well groomed cul de sac.

I tell her that I'm parking the car in front of her house. I head up the front stairs to her house and knock on the door. After what seems to be an eternity for me, she finally answers. We say hello to each other with huge smiles as we see that the attraction is mutual. Not wanting to be obvious on the door stoop, she invites me in, closes the door and gives me a big hug. Our breasts touch in the embrace and I feel her fullness. Her face is beautiful, as is her body, and I cannot wait for us to be together. Shayne tell me she is ready to feel my body; ready to take all the loving I can dish out.

I drop my bag by the door as she escorts me in and offers a cup of tea. I politely refuse but ask for some water because the warm Dallas day has made me thirsty. I look at her as she leaves the room. Her figure is awesome and her hair is gorgeous. She returns from the kitchen and places the glass in my hand. I thank her smiling as I sip and refresh myself. Now I become a little worried; performance anxiety, perhaps.

I go to my bag and pull out a bottle of champagne that I brought. We pour a couple glasses and make small talk for an hour and then the conversation begins to get more erotic. She tells me about some of her experiences with both men and women. I am the more quiet one and but I feel comfortable telling her about some of mine. It seems neither one of us has been that experimental in our lives and this meeting may just be kizmet. As we empty and refill our glasses, we are liking each other even more.

Realizing the encounter is now imminent, we put our empty glasses down next to the empty bottle. After a minute I am on my back on the sofa so she can more fully adore me. My dress has hiked up and now my panty is exposed and it seems to fuel her ardor. She arches over me so her pussy is just over my face. I kiss the insides of her silky thighs and work my way up to her treasure. Still covered with the fabric, I nuzzle it in anticipation.

The bubbly has taken its toll with us. We're giggly, tipsy and feeling pretty sexy. Slowly we both get upright and on the count of three, pull our dress tops open. Our breasts are exposed and again we giggle complimenting each other on their beauty. Hers are full with perfect sized nipples ready to be licked and sucked, which, of course, I oblige. Mine are smaller but still quite firm and shapely for my age and her mouth is welcomed to lick and suck them with soft moans and groans.

I lean over the back of the sofa as she nestles her mouth into my posterior. I feel her tongue probing my pussy lips and rising up to my puckered hole.

Now it's time for the dresses to come off and release their hidden secrets. As they are pulled down, I notice she is clean shaven down there. I have a little hair, but I'm clean shaven around my pussy lips. I am on sensory overload. I can just see the pink of her inner lips peeking out. Her breasts are erect. Her smile is so welcoming. I know that I made the right choice. Finally, my gaze settles into her blue eyes. Shayne breaks the silence by asking me if I like what I see. I manage to sputter out that I am enthralled. I can feel my pussy getting wetter with anticipation. It is a wonderful feeling as my passion begins to rise. She teases me to bend over so she can lick my sweet pussy. I lean over the back of the sofa as she nestles her mouth into my posterior. I feel her tongue probing my pussy lips and rising up to my puckered hole. The feelings are sublime. Her tongue travels well between my pussy and butthole. She gently probes them as they get wetter and wetter with each pass of her tongue.

Now it's my turn as I gaze at the object of my affection and just as I close in to lick her, she pushes me back on the sofa saying she's not done with me yet. I see a sly smile break across her face as she sucks on my nipples and works her way down to my pussy again. Pulling my pussy lips open, she attacks my clit like a velvet warrior: soft yet hard. I lean back, close my eyes and take in all the senses that her swirling tongue delivers.

I climax quickly but she continues to lick me, inserting her fingers deep into my soaking wet pussy, thrusting them in and out until I cum again and again. I have to close my

thighs. I cannot take any more for the moment. She sits up, her long tresses framing her beautiful face and her mouth wet with my juices. She bends over to give me a deep kiss and I taste myself and get even more excited once again. I hug and caress her. Bending my head down, I kiss her again pressing a little harder parting her lips and thrusting my tongue past her teeth. Shayne kisses me back with even more energy and passion than before.

My free hand begins to caress Shayne's breasts. Gently I twist and pull her nipples and she moans with pleasure. Laying back on the sofa, I pulled her on top of me. Her magnificent breasts mashed against mine. My hands reached around and cupped her firm, round ass. My legs were spread and she starts to slowly grind her pussy against me. I tried to wrap my legs around her, but she was stronger than me. Shayne left a wet trail of kisses down my neck to my shoulder. Her hands roamed my body, working their way lower. From my arms to my breasts. From my breasts to my belly. A gasp escaped my lips as she cupped my mound.

She rubs my pussy. I grabbed a handful of her hair and pulled her to me. I was nearing a crescendo. Her hand was moving faster. I began to hyperventilate. My hips moved in time with her fingers. I arched my back and thrashed around on her bed. She had built me up and I was so close! The tingling started in my toes. I had orgasms with guys before. I even had some pretty good, scream-and-wake-the-neighbours orgasms with them, but none of them compared to this one. But we were not done. After a short break and a renewed glass of champagne, I grab my bag again and pull out a bright flesh-colored dildo. It is as big as a large cock and she smiles with approval. We discuss the virtues of a dildo over a cock laughing at the expense of men's penises and the "my cock rules and you'll obey it" attitude most of them have.

With no hesitation at all, Shayne slips the dildo into her already moist mouth and moans with pleasure. I hold it in front of her as she is on her knees taking it in as far as she can, looking up at me with big doe eyes. She reaches back and fondles herself as I take in the sexual spectacle before me. I tell her to get on her back as I hold the toy near my pussy and she leans back to lick it once again. I want her to touch herself even more so I can watch. Immediately her hands slide down her body stopping at her full breasts and rubs them until her nipples are rock hard. They continue down the firmness of her belly to her pussy where she begins to rub her clit with one hand and hold her pussy lips open with the other so I can watch. Her legs part a little wider to allow her to slip her fingers in all the way. Shayne is again fully exposed, aroused and excited.

Immediately her hands slide down her body stopping at her full breasts and rubs them until her nipples are rock hard.

Shayne's body trembles when I pull on her nipples. I take the dildo and move around to the front of her and insert it gently into her juicy pussy. Shayne's passion is contagious. I'm now slipping the vibrator in and out of her tight hole. She trembles and her first release rocks through her body. She begs me for more. For the next four hours we love and sex each other with abandon. Finally, we head to the bedroom to nap.

I like men and that's why I married one, but you really caught my eye. You look like you really like sex or you wouldn't be looking at me right now. And I like a man who likes sex. I'd like you to know that every hole in my body yearns for a man that know what to do with it and knows what I like. You look like that kind of man. Am I right?

I look good, huh?
